

## LIQUID FLOW 2000

### Air Operated Diaphragm (AOD) Pumps

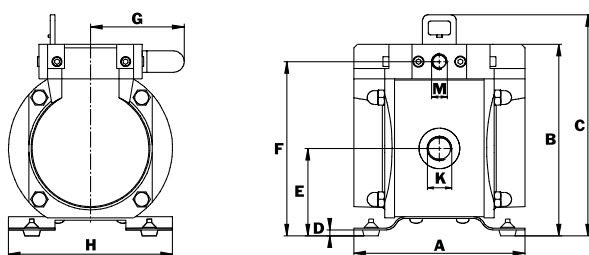

KELVA has been manufacturing and marketing robust dependable diaphragm pumps for over 30 years. Liquid Flow, our new range of double-acting, pneumatic diaphragm pumps is specially made for pumping flexo ink, gravure ink, glue and solvents.

Liquid Flow comes in three sizes capable of a flow range from 15 to 60 litres per minute, offering versatility for a wide range of applications. Liquid Flow offers a compact, low pulsation, easily built in design and can be mounted in any position without modifications.

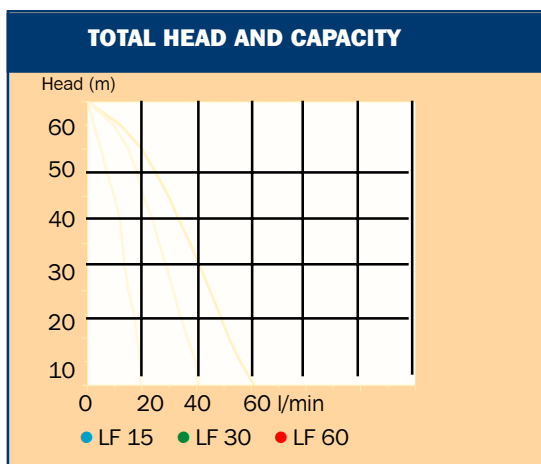

## Technical specifications
