

POWERWISE INK PUMPS MOVES OFFICES!

Effective immediately we are pleased to announce Powerwise are moving to new premises! Beginning in October 2007 Powerwise Ink Pumps UK will be moving their offices to FULLBROOK SYSTEMS located in Hertfordshire. This will enable us to increase our stock levels and more effectively distribute our ink pumps and accessories around the United Kingdom. We have increased the number of personnel to deal with your sales enquiries.

All sales enquiries and orders will be placed at their offices and our full range of Centrifugal, Peristaltic and Double Diaphragm pumps, mixers and filters will be ready for shipment to meet all your ink conditioning needs!
